Re: Freedom of Information Act Request for  
Quality Assurance Review Data Package  
for the Analytical Results Report for  
Richardson Flat Tailings, Summit County,  
Utah, October 25, 1985 (TDD R8-8508-07)

Dear Freedom of Information Officer:

On July 26, 1988, Kerry Gee of United Park City Mines Company in a telephone conference with David Shaller, EPA, Region VIII, requested a copy of the above-referenced Quality Assurance Review Data Package. As of August 3, 1988, Mr. Shaller notified Mr. Gee at United Park City Mines Company that he had been unable to locate this Quality Assurance Package.

Consequently, as attorney for United Park City Mines Company, I am formally requesting, pursuant to the Freedom of Information Act (5 U.S.C. § 552) and its implementing regulations and Section 104 of the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. § 9604, as amended), a copy of the Quality Assurance Review Data Package for the Analytical Results Report for Richardson Flat Tailings, Summit County, Utah, dated October 25, 1985 (TDD R8-8508-07).

Time is of the essence in your response to this request because United Park City Mines Company must file its comments by August 23, 1988, concerning the proposed listing of the Richardson Flat Tailings site on the National Priorities List (NPL), and this Quality Assurance Package for the October 25, 1985 Report is vital to United Park's comments. Therefore, I would appreciate receiving your response within the statutory 10-day period.

Please address a copy of the Quality Assurance Package and/or your response to the undersigned. I would appreciate your sending a copy of the Quality Assurance Package and/or your response to me by Express Mail; I will be happy to reimburse EPA for this mailing expense as well as for the copying expense.

Thank you for your prompt attention to this matter.

Very truly yours,

Rosemary J. Beless
